

INSTRUCTION

01.
Cut out all the illustrated pieces on page 1, then set them aside.
02.
Carefully cut the outline of the card on page 2, then discard the unwanted part.
03.
Fold the card in thirds along the existing outline, and then fold the small tabs back so they are flat in the front.
04.
Close the card by sliding the mother kangaroo in the middle of the card.
05.
The pieces of flowers, bushes, rock, and leaves can be arranged in the many slots available on the card.
(Optional: Add a little tape or glue.)
The baby will be right at home in mama kangaroo's pocket.
06.
Don't forget to write your own special message in the blank space.
